FOREWORD

As the years of our life pile one upon the other, the images once so familiar and clear begin to fade into the past. But the memory that lingers after all others have grown dim are the recollections of school days enshrined in the walls of our beloved Pacolet High. It is the hope of the staff that this book will help you keep alive the experiences that we hold so dear.

DEDICATION

DEAR MRS. LITTLEJOHN,

Because you have given so much of yourself to us, we want to show our appreciation by dedicating our 1956 TOMAHAWK to you. Each person in your English and civics classes has profited from your teachings and has gone out better prepared for life.

In addition to your regular classroom work, you found time to sponsor the Student Council, to plan clever decorations for the parades, and make all Halloween carnivals a success.

From the very beginning your friendliness, helpfulness, and kindness have made for you a multitude of friends. We hope you remember us, for we shall never forget you.

Love,

Senior Class History

In September 1951, we, the Senior Class of 1956, entered the eighth grade at Pacolet High School, unaware at the time that we would one day graduate together. We were very much surprised to see that our lives in school would change very much in this, our really first experience in high school.

We felt much more important to ourselves than to others as we walked briskly from class to class with our chests filled with a new and warming pride. How we admired those seniors as they towered above us, taking long-legged strides down the hallways and we, nearly killing ourselves, tried to keep up with them. We watched with wide-eyed amazement as they changed classes carrying but one small book, distinctly separating them from our book laden selves.

We were deeply amazed by this new routine of changing classes, going to the gymnasium, cafeteria and attending study hall, but we were a part of this new life, and our out-of-place feeling soon vanished.

The following year we entered Pacolet High as freshman, being privileged that year to choose our subjects, vote in class elections, join various clubs, and wish for the day to come when we would be seniors.

The next September we were labeled sophomores and could take positions on the TELAPACO and TOMAHAWK staffs, Student Council, and various other clubs. Newer phases of school life were opened to us for more added enjoyment, learning, and meaning to our lives.

The year 1955 came and we were the juniors of Pacolet High School. Now we would occupy more important positions, and play big roles in sports. That year the Junior Class presented a play, "Me and My Shadow". Toward the end of the year we found ourselves planning the Junior-Senior Banquet. It was hard work for all of us, but we enjoyed it, and it was a big success.

In the fall of 1955 we again entered Pacolet High in the greatest role that we had ever played in our school career. We were full-fledged seniors. Almost immediately we found ourselves getting accustomed to this new life by ordering rings, invitations, and earning money for our Washington trip. This is the year when we were guests of the Juniors at the Junior-Senior Banquet; when we received our rings, one of the most prized possessions of our lives, and one which we shall always cherish. After Christmas we put the finishing touches on our senior play, "Take Your Medicine."

Then the day of graduation arrived. On this day we suddenly realized that we were ending our high school days. The daily routine of classes and activities ended, but memories of our friends, classmates, and teachers whom we loved and admired so much will never vanish, but will forever occupy a part of our lives. Upon leaving Pacolet High School, we, the Senior Class of 1956, with great pride leave all the wonderful joys and few sorrows of senior class life to our successors, the Senior Class of 1957. May they enjoy it as much as we have.

TOMMY CAGLE

1939 - 1955

The Tomahawk Staff would like to take this opportunity to pay tribute to Tommy Cagle who passed away November 23, 1955.

Tommy was a member of the Junior Class and participated in school activities. He set a good example of a student who had the right school spirit.

As a member of the Pacolet Mills Baptist Church, he led his Sunday School Class in attendance and was always a faithful member to his church.

Tommy leaves many qualities that students will always remember.

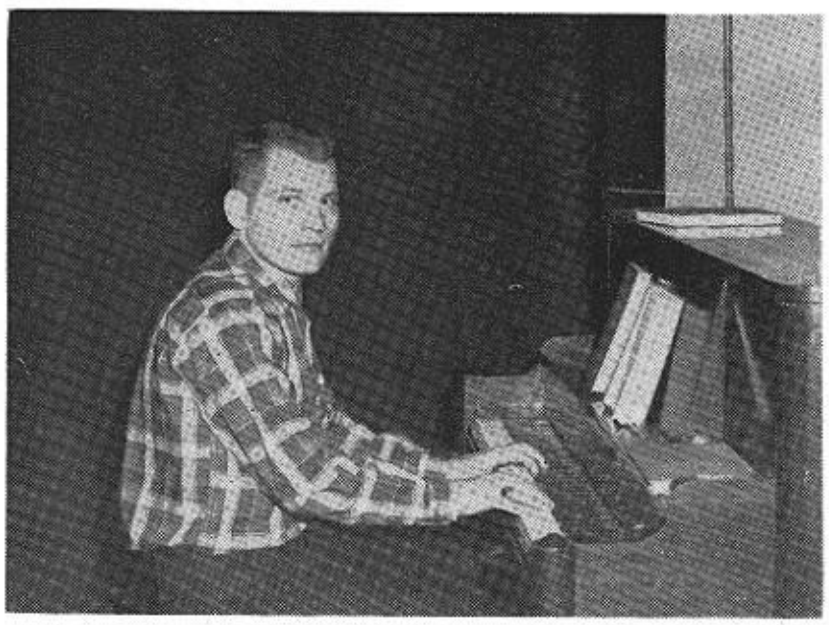
Jr. Glee Club



MR. DAVID HOTTEL, *Director*

The Junior Glee Club was organized in September, 1955, for the junior high school students. Since the seventh and eighth grades do not belong to the high school glee club, this organization affords them training in choral work. There are about fifty-three members in the club. The group presented a very interesting Thanksgiving program.

Mr. David Hottel is director of the group.

The chorus is a source of pleasure for many students. It serves as a means of taking our school into the community, when different churches are visited in the spring. These visits are made as a public service.

Two concerts are given annually by members of the chorus. A small admission is charged and the money has been used to help buy a Hammond organ for the school.

This course carries one-half unit credit per year, but does not count toward state requirements for graduation.

Student Council is the means by which you share in the organization of your school. It is the legislative body of the Student Participation Organization. This group is composed of the student body officers, the officers of the senior class, and the presidents of each club of the school program, and the president of each homeroom. Regular monthly meetings are held. Student Council invites each of you to offer suggestions for the improvement of our school and to remember that members of this council are your representatives who are anxious to serve you.
